

## **MAINE COON CAT CLUB 2017 BREEDER LIST**

**TO BE INCLUDED FROM THE 1<sup>st</sup> APRIL 2017, MEMBERSHIP AND BREEDERS SUBSCRIPTIONS  
NEED TO BE PAID BY THE 31<sup>st</sup> MARCH 2017**

**A FINAL REMINDER WILL BE SENT OUT WITH THE AGM PAPERS IN FEBRUARY**

**Members that have not renewed their membership by 31<sup>st</sup> March 2017 will be classed as lapsed and  
will not be eligible to re-join the Breeder List until 1st April 2018.**

**The cost for entry onto the Breeder's List is £20, which includes a £5 donation to the Rescue Fund  
and is extra to the annual membership fee.**

The following was agreed by members at the 1997 A.G.M.:

1. The list will be completely updated on 1st April each year.
2. Fully paid-up members may apply to join the Breeders' List after membership has been held for at least **TWELVE MONTHS**. New Breeder members joining after 1st April will be added to the next available list.

Telephone enquiries are dealt with mainly by the Kitten Co-ordinator and Secretary, who give out details of breeders together with any kittens that are known to be available. The club stand is taken to many shows where the breeders and kittens available lists can be picked up by the public. The Club also advertises in feline publications such as Cat World and the Supreme catalogue. This all costs money, but it is hoped that you will agree that £20 per year is much cheaper than a single advertisement in a local newspaper or national magazine. Your name and details will also appear on the club web site, in the following manner:

## MAINE COON CAT CLUB 2017 BREEDER LIST APPLICATION FORM

To be included on the MCCC Breeder's List, you must agree to abide by the principles of the G.C.C.F. Code of Ethics for Breeders and Owners.

Copies of this are available from the GCCF Office and on the GCCF website [www.gccfcats.org](http://www.gccfcats.org)

Please be aware of Clause 6 of the GCCF Code of Ethics, as this concerns breeders offering help with any future re-homing of cats of their breeding. The MCCC will contact breeders and expect them to become involved if cats of their breeding are brought to the attention of the MCCC welfare officer for re-homing. It is appreciated that taking cats back is not usually practical but offering to advertise cats you have bred, which require rehoming, via your website would be very helpful.

**Repeated refusal to become involved in any rehoming may result in membership being revoked.**

The MCCC also make the following requirements.

- Kittens must be at least 13 weeks of age, and fully vaccinated against at least cat flu and feline enteritis (homeopathic vaccinations are not acceptable) before being taken by their new owners.
- The kitten/s should be in good general health and free from parasites.
- The breeder/s must provide pedigree and registration documentation, a diet sheet and an official vaccination record when the kitten is collected.
- Although the Maine Coon Cat Club is a GCCF affiliated club, it is recognised that some members may wish to register their kittens with cat organisations other than the GCCF.

The Maine Coon Cat Club strongly recommends that all sales be accompanied by a contract giving information on the kitten and listing any restrictions if the kitten has been purchased for breeding.

**The MCCC committee expects that sales and stud contracts are honoured by all involved parties.**
