

## MAINE COON CAT CLUB – Kitten List Updated 22<sup>nd</sup> January 2023

Please be aware that the MCCC and the GCCF, the UK governing body that we are affiliated to, do not set the price of kittens, individual breeders decide what price they ask for a kitten.

The Maine Coon Cat Club does not formally endorse any of the breeders listed. However, all the breeders on the MCCC Breeders' List have agreed to abide by the principles of the GCCF Code of Ethics and requirements of the MCCC. Potential new owners should ideally visit and use their judgement on whether to purchase a kitten. Kittens should be in good health, be at least 13 weeks of age and fully vaccinated before being collected. The breeder must provide a pedigree, registration certificate, diet sheet and vaccination record upon collection. The MCCC cannot be held responsible for individual breeders' kittens, any health issues, information, or documentation supplied, or any form of contract agreed between parties.
