The MCCC and the GCCF, the UK feline governing body that we are affiliated to have no power to set the price of kittens. It is the breeders who decide what they ask for a kitten.

The Maine Coon Cat Club does not formally endorse any of the breeders listed. However, all the breeders on the MCCC Breeders' List have agreed to abide by the principles of the GCCF Code of Ethics and requirements of the MCCC. Potential new owners should ideally visit and use their judgement on whether to purchase a kitten. Kittens should be in good health, be at least 13 weeks of age and fully vaccinated before being collected.

The breeder **must** provide a pedigree, registration certificate, diet sheet and vaccination record upon collection. The MCCC cannot be held responsible for individual breeders' kittens, any health issues, information or documentation supplied, or any form of contract agreed between parties.

The information listed has been supplied by the breeders and is correct at this time.
